Thank You

Dear church family,
Words are not adequate to express my thanks for all the love and care shown to me and my family during the illness and passing of my mom, Faye Hester.

I know that many prayers were prayed on her behalf over the last few months, and I am eternally grateful for each and every one.

Thank you to each one who reached out to check on me during those long and difficult days. Your words of encouragement helped me greatly. It is always a good feeling to know that others care about what you are going through.

The peace lily that you sent was absolutely beautiful and touched my heart as well.

I can never say thank you enough to the special friends who made the long drive to be there for my mom's service. That love and support meant more to me than I can ever express. Please continue to keep us in your prayers as we navigate the difficult days ahead.
