It's an exciting time for our congregation that meets here at Fayetteville. Many of the things we have been planning and praying about are now on the horizon. We want to say a special thanks to David Gullledge as he is now taking on new responsibilities. We appreciate the feedback about our youth minister candidates as this has been an extremely difficult decision. We have now made a final decision and it will be announced after this morning's service. We have delayed completing our budget pending these and other concerns. Our budget is now available as always for any of our members to review. Please feel free to ask anything of any of our shepherds. We understand that just like our home budgets, expenses are always increasing. We are blessed with a congregation of generous brothers and sisters that understand the responsibility and the blessing that God charges each of us with. Please, watch for future announcements as they become available. Please monitor our bulletin, our Facebook page, the Lightpost app and verbal announcements to keep informed. It is extremely important to all as we continue to communicate updated information. Our great God is working in and through each of us as we labor here.

May God continue to bless you,

The elders
